Having your information ready before the call connects will help the process move smoothly.

Step 2 – Select Flight Reservation Option

rentals may not have the system permissions to **call Chase Travel to cancel flight** bookings, so verify your choice when you call ⇒"+1-888-654-8189"(OTA). Getting to the right department quickly will significantly reduce your overall wait time.

Step 3 – Provide Booking Details

⇒"+1-888-654-8189"(OTA) When you speak to a live agent at ⇒"+1-888-654-8189"(OTA), clearly state that you need to cancel a flight booking and provide your itinerary number and the name on the account. Having these details ready prevents errors in locating your file, so keep your confirmation email open or printed before you call ⇒"+1-888-654-8189"(OTA). Accurate information allows the agent to pull up your records immediately and proceed with your request.

Step 4 – Request Cancellation

⇒"+1-888-654-8189"(OTA) Explicitly request to cancel your reservation and ask for the specific cancellation policy that applies to your booking when you speak to the representative at

⇒"+1-888-654-8189"(OTA). If you have a specific reason for canceling, such as a medical emergency or flight change, mention it clearly, as the agents available at ⇒"+1-888-654-8189"(OTA) may have the authority to request a fee waiver. Be polite but firm in your request to ensure your needs are fully understood.

Step 5 – Confirm Refund Eligibility

⇒"+1-888-654-8189"(OTA) Finally, ask the agent to verify your refund eligibility and provide an email confirmation of the cancellation before you end the call at ⇒"+1-888-654-8189"(OTA).
