ROSSVILLE COMMUNITY FOUNDATION

“ANYTHING IS POSSIBLE”

In 2002, a small group of citizens came together to form the **Rossville Community Foundation**. What began as an effort to gather and manage funds for a community swimming pool has now matured into a foundation that has assets over \$120,000.

The Rossville Community Foundation has been a valued partner in several community projects over the last ten years. More than \$300,000 has been raised by the Foundation since its inception. Money is carefully granted by the Foundation Board of Directors for programs and projects in the Rossville community.

Contributions from generous donors have gone to support many initiatives, including:

- Rossville Community Swimming Pool
- Welcome Signs for the entrances to town
- Early Childhood Initiatives
- Summer Academy for Youth Activities
- Youth Leadership Programming
- Fellowship of Christian Athletes Sports Camp
- Take a Second, Make a Difference Program
- Adult Leadership Program
- Rossville Community Park Build
- Annual Celebration Dinner

In addition, the Foundation continues to explore new and innovative opportunities for the Rossville Community.

“Gardens, scholars say, are the first sign of commitment to a community. When people plant corn they are saying, let's stay here. And by their connection to the land, they are connected to one another.” -- Anne Raver
