If the last pitch is fouled, it is not to be considered a pitch. The coach pitcher must keep one foot in contact with the pitching rubber or deemed an illegal pitch and count as a pitch. The coach must throw the pitches underhand. If a coach's pitch hits a batter, the pitch does NOT count. NO stealing of bases during coach pitches. The pitcher will stand behind the coach during pitches.

SPORTSMANSHIP

1. The Tri-County Code of Conduct must be placed on all applications as follows: All managers, coaches, officials, parents/spectators shall be expected to teach fair play & good sportsmanship to their players/children through "good example" & "conduct". Sportsmanship includes respecting officials and accepting their decisions without question, leading your team/children & fans to respect officials by being a "good example" and treating all individuals with respect & courtesy. Coaches are expected to control the chanting from the dugout and to stop all negative chants and chants directed at the opposing team. Each party listed above also agrees to conduct themselves in a "sportsmanship-like" manner before, during, and after all games, be knowledgeable of the League Rules, and enforce the prohibition of alcoholic beverages or tobacco of any form in the dugouts or on the playing field by anybody. Violations of this code will be documented & consequences pursued through the Tri-County League Board of Directors.
2. Any manager and/or coach will be automatically ejected from a game after 1 warning, for actions violation the Tri-County Code of Conduct.
 - (-) All warnings need to be identified by both coaches in their respective score book, along with the stated reason, person receiving the warning, the time, which part of the inning, batter before and after, number of outs and the count on the batter.
 - (b) Any manager, coach, player or fan refusing to leave a game after being ejected by an umpire will cause their team to forfeit the game.
3. Managers and coaches are responsible for adhering to an enforcing the Tri-County Code of Conduct. Failure to comply with the Tri-County Code of Conduct can cause that team to forfeit that game with each incident being documented and consequences pursued through the Tri-County Board of Directors.
4. Umpires will inform their top representative if players and coaches are ejected for flagrant, unsportsmanlike conduct. "Ejectees" will face at least a 1 game suspension, if following a review by the Board, such action is deemed necessary. Anyone suspended twice under this rule will be at least suspended for the remainder of the year.
5. Game Intent: When coaching, keep in mind that it is your responsibility to COACH SMART. It may be easy to send a base runner, based on the skills of the defense, when the runner would normally be easily thrown out at the next age level. These actions do not serve in the development of the player to determine the point at which they may attempt to advance to the next base. Take the time to ask yourself, if I were playing would I advance in this situation? If the answer is no then hold the runner at that base.

RULE CHANGES
